

Little Munchkins

“Fundamental British values, first set out in the Government’s Prevent strategy, are democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs. The promotion of fundamental British values will be reflected in the Early Years Foundation Stage (EYFS) and exemplified in an age-appropriate way through practice guidance” – Early Education and Childcare: Statutory guidance for local authorities by Department of Education.

At Little Munchkins Club, it is important for young children to also approach early experiences related to religious education with an open attitude and interest and to feel free to talk about the place of religious experiences within their own lives. We celebrate both British and Multi-cultural festivals.
